BARATVI-SPERE-NUKVI

Anything praiseworthy can inspire Joyous Heartsong of Purity. Purity requires us to live in the moment and that we seek the highest and most inspiring each moment has to offer. Finding what makes your heart sing in the moment and embracing it, evokes these qualities. To live from this attitude is the springboard into the higher order of change through grace.

All Encompassing Presence

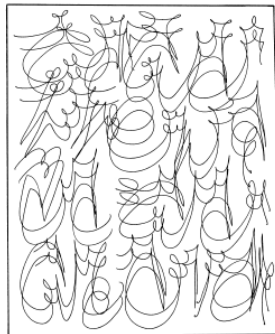

HELESPRIT-PRANUT-SETVI

The universal realms of light and knowledge become the companions of one who lives from the heart and has pure intentions. All-Encompassing is not something viewed from the distance, but is available to the extent one can be present in the moment of living. This Presence encompasses all life. The purer the emotions and attitudes one can hold, the more accessible Presence becomes. Living from the perspective of All-Encompassing Presence is available to all, allowing entry into mysteries that enhance our understanding of life.

The Unquenchable Well Spring of Grace

EL-EK-VRA-U-VRE-STAT

Wherever we find ourselves, we are at the center of all life. Everything else is but a mirror of what is within. The center now moves with us, all resources we have been seeking reside within. The Infinite has decreed that grace within, that heart's connection with the Divine, is our source of growth. The cycles of life that produced growth through opposition are over.

Written by the masters of the Order of the Chalice Well

The Door of Everything

I was crowned by my God, my crown is living ... I received the face and the fashion of a new person.

And the thought of truth led me on. I walked after it and did not wander.

And all that have seen me were amazed and I was regarded by them as a new person.

And He who knew and brought me up is the Most High in all his perfection.

And He glorified me by His kindness and raised my thoughts to the height of His truth.

And from thence He gave me the way of His precepts and I opened the doors that were closed.

And broke in pieces the bars of iron; but my iron melted and dissolved before me.

Nothing appeared closed to me because I was the door of everything.
